President's Report
October 2026

Board Items

Nomination of individuals to serve on Uvalde County Appraisal District (2).

Adding another Interlocal Agreement with National Purchasing Partners, will expand our purchasing opportunities.

Creating FLBD (Local) prohibiting the use of tobacco products on campus.

Consider approving a one-time payment for employees, payable in November.

Construction

Our Eagle Pass and Del Rio tech expansion projects are substantially complete. Our students are in the facilities, and the contractor is still working on fixing the punch list items.

Contractor is working on the electrical service from the new transformer to the La Forge Hall, currently we have two buildings without power (La Forge Hall & Kincaid).

Now that the Board has approved the location of the elevators, our architects developing the construction documents to bid out the project.

We continue discussion with DKM for a permanent fix to the paving issues.

Updates

We have begun the course development for our new bachelor's in business degree.

Commencement ceremonies will be held on December 8th in Eagle Pass with two ceremonies.

TACC continues to work with the Texas Higher Education Coordinating Board on the Supplemental Bill request that would pay community colleges the amounts owed for 2026 & 2027.
