We are exploring interest in offering  
a Construction Science Certificate  
and a Welding Certificate – Level I  
right here in Pearsall, and we want to  
hear from you!

## Why These Programs Matter

The Construction Science Program is designed  
to prepare students to enter the residential and  
commercial construction workforce with  
hands-on, job-ready skills.

Welding Technology is a program for those  
who desire to gain advanced knowledge and  
skills in the field of welding.
