What is Verification?

Your application was selected for a review in a process called "Verification." The Office of Student Financial Aid must compare information from your FAFSA with this Verification Worksheet, a 2023 Federal Income Tax Transcript and other financial documents. The law says we have the right to ask you for this information before awarding Federal Aid. If there are differences between your application information and your financial documents, you or your school may need to make corrections electronically or by using your Student Aid Report (SAR).
