System (IFRS)**

The tuition and fee data reported on the following pages reflects the average amounts charged to resident undergraduate students enrolled in exactly 15 semester credit hours (SCH) per semester at Texas Community Colleges. Amounts reported include statutory tuition and average mandatory.

A student's actual charges may vary based on the student's type and level of enrollment, the student's specific personal circumstances, or for other reasons deemed appropriate by the institution.

**FOOTNOTES:**

\* All data was reported under definitions for tuition and fees adopted January 2006 by the Coordinating Board.

(1) Alamo Community College District reports all colleges under it including San Antonio College

(2) Lone Star College System was formerly North Harris-Montgomery Community College

**Note:**

The Total Academic Charges column is the sum of Statutory Tuition + Mandatory Fee for each school.

The bottom of the column is the average (excluding zeroes, if any) of the Total Academic Charges of each school.
