

COVID-19 RESPONSE NOTES

April 6, 2020

Leadership Team

- Faculty survey – final grade language/guidance
- Library updates – Chromebooks
- LBB Cost Survey Update
- Clinical demand on students grade of I may be necessary
- PCT meeting to discuss options – can finish course but will have to make up clinical for licensure
- Workforce Training – online billing and coding course using Zoom, Truck driving on hold
- K-12 schools running smooth – dual credit courses
- Orientation videos in progress
- Registration for summer/fall slow

TACC Call Update

- FAQ continue to be updated
- In reference to TSI rule 4.55 will be broadly interpreted
- Approve non-degree seeking exception for dual credit students as well through entire academic year 2020-2021 rule 4.54(b) - identify other metrics we will use as benchmarks to determine college readiness
