

President's Report

September 2023

Maintenance

Chittim Project – It is progressing on schedule. Welding scheduled to be completed by early October and Diesel by early November.

Dorms – Cosmetic painting to the exterior is ongoing.

Tech Expansion – Included an agenda item for the board to consider approving the scope of Phase 1 of the Tech Expansion. Upon approval of the scope, we will work with architects to develop a preliminary budget for the projects.

Other

Appraisal Districts

We have several items regarding appraisal district nominations for vacancies and the adoption of our tax rate, which is a decrease from the current rate. We may need a special meeting to allocate our votes for the recall vacancy due to a limited time for response.
