SWTJC Technical Programs Advisory Committee Guidelines Review	Luis Fernandez explained the guidelines/functions of the Advisory Committee. The committee must meet at least once a year and have a quorum present. However, contact with members throughout the year via e-mail, fax or phone is strongly recommended. It is imperative that SWTJC Technical Programs are aware of what it is that employers are looking for in the graduates, as well as keeping up with new technology, program improvement suggestions, and representing the needs of students from special populations.  **Guidelines were included in packet**	Luis Fernandez

13. Student Engagement in the Field	1,200+ student contact hours outside of class and lab time.		
Curriculum Decisions:	None.		
Discussion/Other:	<p>Dr. Warnock shared that she has been working on the articulation with the new Provost. Students interested in transferring to Alpine Sul Ross University, require upper-level hours. Students need to take three thousand and four thousand upper-level hours (English and Science).</p> <p>Poncho Ortega discussed how ranchers are requesting interns from the Wildlife program and this is good for the program. He also added, if there are not enough students to intern, it shows that every student has been placed somewhere.</p> <p>Jim Hasslocher informed Mr. Zaiglin that technology is changing rapidly and asked if the program has a drone. Mr. Zaiglin shared that the program does not have a drone. Mr. Hasslocher talked about the importance of keeping up with technology and shared that he will donate a drone to the program.</p> <p>Tommy Collins, Daniel Roman, Steve Garza, Cheyenne Ruiz, and Taylor Trafford shared their experience as a student.</p>		
Adjournment	Motion to adjourn was made by Jim Marmion, seconded by Chris Hugh; All in favor, meeting was adjourned at 12:29 pm by acclamation.		Committee
