Sul Ross State University, Eagle Pass, Texas  
M.Ed. in General Education with Science emphasis

University of Nebraska, Kearney, Nebraska  
M.S. in Biology  
Stephen F. Austin State University

18 hour Texas EC-12 principal certificate

## COLLEGE TEACHING/EXPERIENCE

### Experience

Texas State board of Pharmacy registered pharmacy technician 2000-2004

Worked as a pharmacy technician at Amigos Pharmacy in Eagle Pass, Texas. Assisted the pharmacist by compounding medications; discerning and imputing medical prescriptions into patients medical profiles; and monitored inventory of both over-the-counter and prescription only medications.

Laboratory Proctor for General Biology 2002-2003

Student teacher at St. Marys University for the department of Biology. I retaught various biological laboratory concepts to freshmen college students who were non-biology majors in a small group setting.

High School Science Teacher 2007-Current

Taught Pre-advanced placement, advanced placement, remedial E.O.C. biology, and anatomy and physiology courses at C.C. Winn High School in Eagle Pass, Texas.

High School afterschool tutorial lead teacher 2012-2013

Supervised an afterschool tutorial program at C.C. Winn high school for core subjects (English, Social Studies, Science, and Math) for struggling students and ran the credit recovery for migrant students. Monitored daily attendance for all tutorial referred students, and advised those students who were not consistent in their tutorial attendance. Supervised a team of five core area subject teachers and taught them how to use the E-2020 computer based program. Kept attendance and monitored inventory on snacks and beverages for participating tutorial students. Monitored and generated completion and progress reports for students that were enrolled in the E-2020 computer based program. Tracked teachers time cards and created payroll time sheet for the extra supplemental pay for teachers. Generated required reports that were requested by both the migrant and federal programs.

Field Supervisor 2010-2011

Field supervisor and mentor for Texas teachers alternative certification program at C.C. Winn High School. Met with three new science teachers every two weeks to discuss any issues or questions that they had regarding either classroom management or curriculum. Observed a classroom lesson for 45 minutes and subsequently created a written report based on that observation for each teacher. Submitted a written report to both the campus principal and to the teachers alternative certification program.

## PREVIOUS EXPERIENCE

Biology 1309

CC Winn High School Biology
