Tipton, Robert, Terry L. Hibbitts, Troy D. Hibbitts, Toby J. Hibbitts, and Travis L. LaDuc. 2012. "Texas Amphibians: a Field Guide." University of Texas Press, Austin, TX.

Abbott, John C. & Troy D. Hibbitts. 2011. *Cordulegaster sarracenia*, n. sp. (Odonata: Cordulegastridae) from east Texas and western Louisiana, with a key to adult Cordulegastridae of the New World. *Zootaxa* 2899: 60-68.

RESEARCH EXPERIENCE

Troy Hibbitts is a research associate of the Biodiversity Research and Teaching Collection at Texas A&M University, and assists on various lizard survey projects in South Texas. In addition, he is currently working to outline distribution and status of the Blonde morph of the Trans Pecos Ratsnake (*Bogertophis subocularis*) with Dustin Rhoads. Finally, he is an active participant documenting the occurrence and distribution of Texas' dragonflies.

PROFESSIONAL AFFILIATION

Texas Herpetological Society
Dragonfly Society of the Americas
